Fill in the gaps

Can't Hold Us by Macklemore & Ryan Lewis

(But so we put our has up)

Alright, ok

Alright, ok

Return of the Mac

Get them what it is, what it does

What it is, what it isn't

Looking for a better way to get up out of bed

Instead of getting on the internet

And checking out who hit me, get up

Thrift shop, pimp strut walking

Little bit of humble, little bit of cautious

Somewhere between (1)_____ Rocky and Cosby

Sweater game nope nope you all can’t copy (yup)

Bad, moonwalking, it is here, it's our party

My posse's been on Broadway

And we did it our way, throne music

I shed my skin

And put my bones into everything I record to it

And yet I’m on

Let that stage light

Go and shine on down

Got that Bob Barker suit game and plinko in my style

Money

Stay on my craft and stick around for those pounds

But, I do that to pass the torch

And put on for my town

Trust me

On my I-N-D-E-P-E-N-D-E-N-T shit hustling

Chasing dreams since I was fourteen

Fill in the gaps

With the four track bussing

Halfway cross that city with the backpack, fat cat

Crushing labels out here

No (2)_____ can't tell me nothing

We give that to the people

Spread it across the country

Labels out here

No they can't tell me nothing

We give it to the people

Spread it across the country

Here we go back

This is the moment

Tonight is the night

We'll fight till it's over

So we put our hands up

Like the ceiling can't hold us

Like the ceiling can't hold us

Here we go back

This is the moment

Tonight is the night

We'll fight till it's over

So we put our hands up

Like the ceiling can't hold us

Like the ceiling can't hold us

Now can I kick it, thank you

Yeah I'm so damn grateful

I grew up, really wanted gold fronts

But that's (3)_____ you get (4)_____ Wu-Tang raised you

You all can't stop me

Go hard like I got an eight o eight in my heart beat

Fill in the gaps

And (5)_____ eating at the beat

Like you gave a little speed

To a great white shark on shark week, raw

Time to gone off, I'm gone

Deuces goodbye

I got a world to see

And my girl she wanna see Rome

Ceasar will make you a believer, no

I never ever did it for a throne

That validation comes

From giving it back to the people, no

Sing the (6)_____ and it goes like

Raise those hands, this is our party

We came here to live life

Like nobody was watching, I got my city

Right behind me, if I fall, they got me

Learn from that failure gain humility

And then we keep marching ourselves (here we go back)

This is the moment

Tonight is the night

We'll fight till it's over

So we put our hands up

Like the ceiling can't hold us

Like the (7)_____ can't hold us

Here we go back

This is the moment

Tonight is the night

We'll fight till it's over

So we put our hands up

Like the ceiling can't hold us

Fill in the gaps

Like the ceiling can't hold us

(But so we put our hand up)

(But so we put our (8)_____ up)

Let's go

(Na na na na na na…)

And all my people say

(Na na na na na na…)

That's right, here we go

And all my people say

(Na na na na na na…)

(That's alright)

(Oh...)

And all my people say

(Na na na na na na…)

(Macklemore)

Let the night come

Before the fight's won

Some might run

Against the test

But those that triumph

Embrace the fight 'cause

It be as there to prove

That courage exists, come on

Now let the night come

Before the fight's won

Some might run

Against the test

But (9)_____ that triumph

Embrace the fight 'cause

It be as there to prove

That courage exists
