Fill in the gaps

Can't Hold Us by Macklemore & Ryan Lewis

(But so we put our has up)
Alright, ok
Alright, ok
Return of the Mac
Get them what it is, what it does
What it is, what it isn't
Looking for a better way to get up out of bed
Instead of (1) on the internet
And checking out who hit me, get up
Thrift shop, pimp strut walking
Little bit of humble, little bit of cautious
Somewhere between like (2) and Cosby
Sweater game nope nope you all can't copy (yup)
Bad, moonwalking, it is here, it's our party
My posse's been on Broadway
And we did it our way, throne music
I shed my skin
And put my bones into everything I record to it
And yet I'm on
Let that stage light
Go and shine on down
Got that Bob Barker suit game and plinko in my style
Money
Stay on my craft and stick around for those pounds
But, I do that to pass the torch
And put on for my town
Trust me
On my I-N-D-E-P-E-N-D-E-N-T (3) hustling
Chasing dreams since I was fourteen

Fill in the gaps

With the four track bussing
Halfway cross that city with the backpack, fat cat
Crushing labels out here
No they can't tell me nothing
We give that to the people
Spread it across the country
Labels out here
No they can't tell me nothing
We give it to the people
Spread it across the country
Here we go back
This is the moment
Tonight is the night
We'll fight till it's over
So we put our hands up
Like the ceiling can't hold us
Like the ceiling can't hold us
Here we go back
This is the moment
Tonight is the night
We'll fight till it's over
So we put our hands up
Like the ceiling can't hold us
Like the ceiling can't hold us
Now can I (4) it, thank you
Yeah I'm so damn grateful
I grew up, really wanted gold fronts
But that's what you get (5) Wu-Tang raised you
You all (6) stop me

Go hard like I got an eight o eight in my heart beat

And I'm eating at the beat Like you gave a little speed To a great white shark on shark week, raw Time to (7)_____ off, I'm gone Deuces goodbye I got a world to see And my girl she wanna see Rome Ceasar will make you a believer, no I never ever did it for a throne That validation comes From giving it back to the people, no Sing the song and it goes like Raise those hands, this is our party We came here to live life Like nobody was watching, I got my city Right behind me, if I fall, (8)_____ got me Learn from that failure gain humility And then we keep marching ourselves (here we go back) This is the moment Tonight is the night We'll fight till it's over So we put our hands up Like the ceiling can't hold us Like the ceiling can't hold us Here we go back This is the moment Tonight is the night

We'll fight till it's over

So we put our hands up

Like the ceiling can't hold us

JUB

And all my people say

(Na na na na na na na...)

(Macklemore)

Let the night come

Before the fight's won

Some (10)_____ run

Against the test

But those that triumph

Embrace the fight 'cause

It be as there to prove

That courage exists, come on

Now let the night come

Before the fight's won

Some might run

Against the test

But those that triumph

Embrace the fight 'cause

It be as there to prove
