## Fill in the gaps

## Something For The Pain by Bon Jovi

Happiness, it's (1) no friend to me	Run through my veins (I'm)
But (2) after ain't what it's all cracked up to	To a place where I feel no (15) (falling)
be	Be the pillow under my (16) (night)
Yeah, I had a taste, you were my fantasy	Cover me when I'm in your bed (is calling)
But I almost lost my faith when I hit reality	Take me higher (17) I've ever been (feels like)
I don't need no (3) to tell me (4) to do	Take me down and back again (I'm flying)
When your feeling (5) a headline	Come to me, be my disguise (Christ)
On yesterday's news	Open your coat, let me crawl inside (I'm dying)
Come on, come on, (6) on	Come on, come on
Give me something for the pain	Come on, come on
Give me something for the blues	Give me (18) for the pain
Give me something for the pain (7) I feel	Give me something for the blues
I've been danglin' from a hang-man's noose	Give me something for the pain when I feel
Give me shelter (8) the rain	l've (19) danglin' (20) a hang-man's
Give me something I can use	noose
To get me through the night	Give me shelter from the rain
Make me feel all right	Give me (21) I can use
Something like you	To get me through the night
Come on, come on	Make me feel all right
Loneliness has found a (9) in me	Something like you
My suitcase and guitar are my (10) family	Give me (22) for the pain
I've (11) to (12) someone	Give me something for the blues
Like they needed me	Give me something for the pain (23) I feel
I opened up my heart	I've (24) danglin' from a hang-man's noose
But all I did was bleed	Give me shelter from the rain
I don't (13) no lover	Give me something I can use
Just to get screwed, oh yeah	To get me through the night
They don't (14) a bandage	Make me feel all right
That's going to cover my bruise	Something like you
Come on, come on	Come on, come on, come on, come on
Give me something for the pain	Come on, come on, come on, (25) on
Give me something for the blues	Give me!
Give me something for the pain when I feel	Give me something for the pain
I've been danglin' from a hang-man's noose	Give me!
Give me shelter from the rain	Give me (26) for the blues, oh yeah
Give me something I can use	Give me!
To get me through the night	Why don't you give me (27) for the
Make me feel all right	pain, baby
Something like you	Give me!
Come on, come on
