Love The Way You Lie Part 2 by Rihanna

On the first page of our story	Satisfied
The future seemed so bright	Just (3) stand (4) and watch me
Then this thing turned out so evil	burn
I don't know why I'm still surprised	But (5) all right because I like the way in
Even angels have	hurts
Their wicked schemes	Just gonna stand there and (6) me cry
And you take that	But that's all right because I love the way you lie
To new extremes	I love the way you lie
But you'll (1) be my hero	(Ohhh)
Even though you've lost your mind	I love the way you lie
Just gonna (2) there and watch me burn	(Ohhh)
But that's all right because I like the way it hurts	So maybe I'm
Just gonna stand there and hear me cry	A masochist
But that's all right because I love the way you lie	I try to run
I love the way you lie	But I don't wanna ever leave
(Ohhh)	Till the walls
I love the way you lie	Are going up
Now there's gravel in our voices	In smoke with all
Glass is shattered from the fight	Our memories
In this tug of war	Just gonna stand there and watch me burn
You'll always win	But that's all right because I (7) the way it hurts
Even when	Just gonna stand there and hear me cry
I'm right	But that's all right because I love the way you lie
'Cause you feed me fables from your hand	I love the way you lie
With violent words and empty threats	I (8) the way you lie
And it's sick that all these battles	I (9) the way you lie
