Love The Way You Lie Part 2 by Rihanna

On the first (1) of our story	Satisfied
The future seemed so bright	Just (12) stand there and (13) me
Then (2) thing turned out so evil	burn
I don't (3) why I'm still surprised	But that's all right because I like the way it hurts
Even angels have	Just gonna stand there and hear me cry
Their wicked schemes	But that's all (14) because I love the way you lie
And you take that	I love the way you lie
To new extremes	(Ohhh)
But you'll (4) be my hero	I love the way you lie
Even (5) (6) lost your	(Ohhh)
mind	So (15) I'm
Just gonna stand there and watch me burn	A masochist
But that's all right because I like the way it hurts	I try to run
Just gonna stand (7) and hear me cry	But I (16) wanna ever leave
But that's all right because I love the way you lie	Till the walls
I love the way you lie	Are going up
(Ohhh)	In smoke with all
I love the way you lie	Our memories
Now (8) gravel in our voices	Just gonna (17) (18) and watch
Glass is shattered from the fight	me burn
In this tug of war	But that's all right because I (19) the way it hurts
You'll always win	Just gonna stand there and (20) me cry
Even when	But that's all right (21) I love the way you lie
I'm right	I (22) the way you lie
'Cause you feed me fables (9) (10)	I (23) the way you lie
hand	I (24) the way you lie
With violent words and empty threats	
And (11) sick that all these battles
