

Fill in the gaps

My heart is racing	I'm in ecstasy
She puts her hands on mine	
I (1) them shaking	I just can't believe the love, love, love
I look into her eyes	It's taking over me
And I tell her that it's gonna be alright	Love, love, love
And I'm never ever gonna make you cry	It's taking over me
I'll fix your broken heart	(Taking over me, taking over me)
I'll make it beat again	Touch my skin with your body
I'll never let you down	Love is (6) over me
On me you can depend	
And I (2) her that we'll always be this way	It's taking over me
Everyday she's the one that makes me wanna say	
	I'm in ecstasy, yeah
You're taking over me	
	I just can't believe the love (love) love (love)
I'm in ecstasy	Love (love)
	It's taking over me
I (3) can't believe the love, love	
It's taking over me	It's taking over me
Love, love, love	I'm in ecstasy, yeah
It's taking over me	
If I close my eyes	I just can't believe the love (love) love (love)
I can see your smile	Love (love)
I can hear the laugh I loved	It's taking (7) me
And I can't get enough	Love (love) love (love) love (love)
I can pull you (4) in a moment	It's taking over me
Just like this	Touch my skin with your body
I can stop the world	Love is taking (8) me
With only just (5) kiss	Touch my skin with your body
	Love is taking over me
You're taking over me
