

To another heart

Fill in the gaps

I wanna take you somewhere	And I wanna cry
So you know I care	I wanna learn to love
But it's so cold	But all my tears
And I don't know where	Have (6) used up
I brought you daffodils	On another love
In a (1) string	Another love
But they won't flower	All my tears
Like they did (2) spring	Have been used up
And I wanna (3) you	On another love
Make you feel alright	Another love
I'm just so tired	All my tears
To share my nights	Have been used up
I wanna cry	On another love
And I wanna love	Another love
But all my tears	All my tears
Have been used up	Have been used up
On another love	()
Another love	I (7) (8) a song
All my tears	That'd be just ours
(Have) been used up	But I sang them all
On another love	To another heart
Another love	And I (9) cry
All my tears	I (10) fall in love
Have been used up	But all my tears
On another love	Have been used up
Another love	On another love
All my tears	Another love
Have been used up	All my tears
And if somebody hurts you	Have been used up
I wanna fight	On another love
But my hand's been broken	Another love
One too (4) times	All my tears
So I use my voice	Have been used up
I'll be so fucking rude	On another love
Words they always win	Another love
But I know I'll lose	All my tears
And I'd (5) a song	Have been used up
That'd be just ours	
But I said them all
