She captures her reflection		Change, change your life, take it all		
Then she throws the mirror to the floor		(Take it all)		
Her image is (1)	screaming	We're gonna stick together		
Is it worth it anymore?		Know we'll get (7) it all		
(No-oh-oh)		Change, change your life, take it all, yeah		
Are you scared of the things		(Take it all)		
That they might put you through?		You're gonna use it to become		
Does it make you wanna hide the inner you?		What you've always known		
You're not the only one so let them criticize		(Become what (8) always known)	always known)	
		Change, change your life (yeah) (9) it all		
You're untouchable when you realize		(Change your life and take it all)		
(Oh)		Change, change your life (yeah) take it all		
Change, change your life, take it all		(Change your life and take it all)		
We're gonna stick together		You got the right to show the world		
Know we'll get through it all		Something never seen		
Change, change your life, take it all, yeah		We wanna hear you scream it out		
(Take it all)		You're not alone		
You're gonna use it to become		(Whoa, yeah)		
What you've always known		Change, change your life, take it all		
(Become what you've always known)		(Take it all)		
His (2) starts to flicker		We're gonna stick together		
Like nobody wants to know his name		Know we'll get through it all		
Just another soul with feelings		(We're invincible)		
But nobody's there to feel the pain		Change, change your life, take it all		
No, no, no		(Change your life and take it all)		
They can rip you, (3)	you down, down to their	You're gonna use it to become what yo	ou'v	
size		(10) known		
But they will (4)	get to the heart you hold inside	Take it all		
(Mm, mm, mm)		Become what you've always known		
You're not the (5)	one so let them criticize			
You're (6)	when you realize			
(Ooh-oh-oh)
