

## Fill in the gaps

## The Haunting (Somewhere In Time) by Kamelot & Simone Simons

werely the sound of (1) voice	Leave while you can
Made me believe that	Somewhere in time I will find you and (15) you
That you were her	again
Just (2) the river disturbs	Like the wind sweeps the earth
My (3) peace	Somewhere in time when no virtues are left to defend
Once I believed I could find	You fall in deep
Just a trace of her beloved soul	I was a liar in (16) debate
Once I believed she was all	I (17) the forces (18) fueled your hate
Then she smothered my beliefs	When the cold in my heart leaves it comes to an end
One (4) winter's night	And quietly I'll go to sleep
I may follow her (5) to the river	Follow me into the light
Somewhere in time I (6) find you and	Like ice on a lake of tears
(7) you again	I'll take you through
Like the (8) sweeps the earth	Or leave me tonight
Somewhere in time when no virtues are (9) to	I've gone too far to begin all anew
defend	With someone like you
You (10) in deep	Somewhere in (19) I will find you and love you
How (11) that first (12) recur	again
When memories linger	Like the (20) sweeps the earth
On and on	Somewhere in time when no virtues are (21) to
What made me think you were her	defend
Helena is dead to all	You've fallen deep
Dead to all	I was a liar in every debate
Nothing can (13) her to life	I rule the forces that fueled your hate
Don't pretend that I'll be loving you	When the cold in my heart (22) it
Once I believed she was gone	(23) to an end
I corrupted from within	Quietly I'll go to sleep
Leave. (14) me for now and forever
