Face down in the dirt

Face Down by The Red Jumpsuit Apparatus

Hey, girl, you (1) you drive me crazy	She said "this doesn't hurt"
One (2) puts the rhythm in my hand	She said "I finally had enough"
Still I'll never understand why you hang around	Face down in the dirt
I see what's going down	She said "this doesn't hurt"
Cover up with makeup in the mirror	She said "I finally had enough"
Tell yourself, it's never (3) happen again	One day she (7) tell you
You cry alone and then he swears he (4) you	That she has had enough
Do you feel like a man	It's coming round again
When you push her around?	Do you feel like a man
Do you feel better now	When you push her around?
As she falls to the ground?	Do you feel better now
Well I'll tell you my friend	As she falls to the ground?
One day this world's going to end	Well I'll tell you my friend
As (5) lies crumble down	One day this world's going to end
A new life she has found	As (8) lies crumble down
A pebble in the water makes a ripple effec	A new life she has found
Every action in this world will bear a consequence	Do you feel like a man
If you wade around forever, you will surely drown	When you push her around?
I see what's going down	Do you feel better now
I see the way you go and say you're right again	As she falls to the ground?
Say you're right again, heed my lecture	Well I'll tell you my friend
Do you feel like a man	One day (9) world's going to end
When you push her around?	As your lies crumble down
Do you feel better now	A new (10) she has found
As she falls to the ground?	Face down in the dirt
Well I'll tell you my friend	She said "this doesn't hurt"
One day this world's (6) to end	She said "I finally had enough"
As your lies crumble down	
A new life she has found
