\_\_ down

Hey, girl, you know you (1) me crazy	She said "this doesn't hurt"
One look (2) the (3) in my hand	She said "I finally had enough"
Still I'll never understand why you (4) around	Face (17) in the dirt
I see what's (5) down	She said "this doesn't hurt"
Cover up with makeup in the mirror	She said "I finally had enough"
Tell yourself, it's never gonna happen again	One day she (18) tell you
You cry (6) and then he swears he loves you	That she has had enough
Do you feel like a man	It's coming round again
When you (7) her around?	Do you feel (19) a man
Do you feel better now	When you push her around?
As she (8) to the ground?	Do you feel (20) now
Well I'll tell you my friend	As she falls to the ground?
One day this world's (9) to end	Well I'll tell you my friend
As your lies crumble down	One day this world's going to end
A new life she has found	As (21) lies crumble down
A pebble in the water makes a ripple effec	A new life she has found
Every (10) in this (11)	Do you feel like a man
(12) bear a consequence	When you push her around?
If you wade around forever, you will (13)	Do you feel better now
drown	As she (22) to the ground?
I see what's going down	Well I'll tell you my friend
I see the way you go and say you're right again	One day this world's going to end
Say you're right again, heed my lecture	As (23) lies crumble down
Do you feel like a man	A new (24) she has found
When you push her around?	Face down in the dirt
Do you feel (14) now	She said "this doesn't hurt"
As she falls to the ground?	She said "I (25) had enough"
Well I'll (15) you my friend	
One day this world's going to end
