## Here I Am Alive by Yellowcard & Tay Jardine

|  | It seems to say I haven't done both      |
|--|--|
| If I (1) write to the kid I was before             | I made mistakes, I know I know           |
| I'd tell him you'll get everything you ever wanted | But here I am alive                      |
| But you will still want more                       | So many people close to me cut me down   |
| Someone's gonna tell you                           | This is supposed to be a bad luck town   |
| Who you should wanna be                            | I jumped, I fell, I hit the ground       |
| So you'll forget the vision                        | But here I am alive, alive, alive, alive |
| That (2) didn't wanna see                          |  |
| And when they give up                              | And when they (10) up                    |
| 'Cause (3) will give up say                        | 'Cause they will give up, say            |
| Here I am alive                                    | Here I am alive                          |
| They say you don't grow up                         | When they give up                        |
| You just grow old                                  | 'Cause they always give up, say          |
| It seems to say I haven't done both                | Here I am alive                          |
| I made mistakes, I know I know                     | They say you don't grow up               |
| But (4) I am alive                                 | You just grow old                        |
| So many people close to me cut me down             | It seems to say I haven't done both      |
| This is (5) to be a bad luck town                  | I made mistakes, I know I know           |
| I jumped, I fell, I hit the ground                 | But here I am alive                      |
| But here I am alive                                | So many people close to me cut me down   |
| If I could write to myself                         | This is supposed to be a bad luck town   |
| When I was on top of it all                        | I jumped, I fell, I hit the ground       |
| I'd say you're going over border                   | But here I am alive                      |
| And when (6) falling                               | Here I am alive                          |

| That you deserve the worst                         | Here I am alive                          |
| They'll say you're never coming back               | Here I am alive                          |
| And tell you that you're cursed                    | Here I am alive                          |
| But when they (9) up                               | Here I am alive                          |
| Because they always give up                        | Here I am                                |
| Say, here I am alive                               | If I could write to the kid I was before |
| They say you don't grow up                         |  |
| You just grow old                                  |  |
