

Fill in the gaps

They say that we ain't got the style	But it (17) in one ear
We ain't got the class	And (18) out the other
We ain't got the tunes	People talkin' ****
That's goin to put us on the map	Even (19) they (20) bother
And I'm a phony in disguise	It goes in one ear
Trying to make the radio	And right out the other
'm an anti-social anarchist	People talkin' ****
sound like so and so	They can kiss the back of my hand
They say I'm just a stupid kid	You hear that?
Another crazy radical	You (21) what's coming?
Rock and (1) is dead	(Oh) you better run for the hills
probably should've stayed in school	'Cause we're coming to your town
Another generation X	And we're gonna burn that ********** down
Who (2) up	
(4) the cracks	Here's the (22) to the story
(Oh) they'd (5) to see me fall	We don't do it for the glory
But I'm already on my back	We don't do it for the money
So it goes In one ear	We don't do it for the fame
And (6) out the other	So all the critics who despise
People talkin' ****	Go (23) and criticise
But you (7) I (8) bother	It's your tyranny that drives us
t goes in one ear	Adds the (24) to our flames
And right out the other	And it goes in one ear
People talkin' ****	And (25) out the other
They can kiss the back of my hand	People talkin' ****
Now I know I'm not a saint	But you know we'll (26) bother
been a sinner all my life	It goes in one ear
ain't trying to hide my flaws	And right out the other
'd rather keep them in the light	I'm only playing music
They wanna criticise, scrutinize	'Cause you know I ******* love it
Cast another stone	It goes in one ear
Burn me at the stake	And right out the other
And sit and watch it from (9) throne	People talkin' ****
They say the devil is my pal	But you know I never bother
do a lotta drugs!	It goes in one ear
The crowd will only like me	And right out the other
f they're (10) ****** drunk	People talkin' ****
They (11) (12) (13) my	They can kiss the (27) of my hand
houghts	
But (14) don't know the list	
f (15) listen to the words	
They'd find a message (16) beneath
