In One Ear by Cage The Elephant

Fill in the gaps

They say that we ain't got the style We ain't got the class We ain't got the tunes That's goin to put us on the map And I'm a phony in disguise Trying to make the radio I'm an anti-social anarchist I sound like so and so They say I'm just a (1)___ Another crazy radical Rock and roll is dead I probably should've stayed in school Another generation X Who somehow slipped up (2)_ _____ the cracks (Oh) they'd love to see me fall But I'm already on my back So it (3)_____ In one ear And right out the other People talkin' **** But you (4)_____ I never bother It goes in one ear And right out the other People talkin' **** They can kiss the back of my hand Now I know I'm not a saint I been a sinner all my life I ain't trying to hide my flaws I'd rather keep them in the light They wanna criticise, scrutinize Cast another stone Burn me at the stake And sit and watch it from their throne They say the devil is my pal

I do a lotta drugs!

The crowd will only like me
If they're really ******* drunk
They think they know my thoughts

____ the list

But they don't (5)____

If they listen to the words

They'd find a message tucked beneath

But it goes in one ear
And right out the other
People talkin' ****
Even (6) they never bother
It goes in one ear
And right out the other
People talkin' ****
They can kiss the back of my hand
You hear that?
You hear what's coming?
(Oh) you better run for the hills
'Cause we're (7) to your town
And we're gonna burn that ********** down
Here's the moral to the story
We don't do it for the glory
We don't do it for the money
We don't do it for the fame
So all the critics who despise
Go (8) and criticise
It's your tyranny that drives us
Adds the fire to our flames
And it goes in one ear
And right out the other
People talkin' ****
But you know we'll never bother
It goes in one ear
And right out the other
I'm only playing music
'Cause you know I ******* (9) it
It goes in one ear
And right out the other
People talkin' ****
But you know I never bother
It goes in one ear
And right out the other
People talkin' ****
They can kiss the back of my hand
