

Fill in the gaps

I've been trying to make sense	I'm the conscious in your mind
I've been shouting under my breath	I'm the feeling that you
How's any of this in my interest?	You cannot hide
You sold me out	I'm the devil on your shoulder
I must've not gotten the cheque	Telling you that love is blind
Your lust is a lie	It's ok when it's hiding in disguise
But it comes as no surprise	Your loose lips let
Time after time	Let the (7) slide
It goes right past the line	You spend too much time
I do my best to	Talking about my life
To make ammends with you	Stories you will spin
But I just can't see the end (oh)	Just for a power trip
Don't hold your breath	It's safe to say that I am not into it
I'm not losing sleep over you	In the picture you are not
I'm Mr Reckless with a (1) R	Someone else is in your spot
Don't hold your breath	This is the result of people moving on
I'm not losing (2) over you	Good luck with killing time
I'm Mr Reckless with a capital R	You won't be killing mine
Don't hold your breath	I'll do my best
I'm not losing sleep over you	To always be on your mind
I'm Mr Reckless	Your mind
And you're defenseless	I never once said I didn't mean this
And isn't it funny how	I can't (8) to see how this one gets out
Those (3) clouds follow you around?	You are the first
It's Karma (4) down	To question my achievements
Just let me know when it's in town	But that's all right
You act like the world owes you a favor	My dreams I've been living
You want it all but you don't like the taste (oh)	(Don't (9) your breath)
You've been throwing bricks at my window	(I'm not losing sleep over you)
Like there's no better way to say "hello"	(I'm Mr Reckless) with a capital R
Hello	Don't hold your breath
Don't hold your breath	I'm not losing sleep over you
I'm not losing sleep (5) you	I'm Mr Reckless with a capital R
I'm Mr Reckless with a capital R	Don't hold your breath
Don't hold your breath	I'm not losing sleep over you
I'm not losing sleep (6) you	I'm Mr Reckless
I'm Mr Reckless	And you're defenseless
And you're defenseless	The best, you never had
The best, you never had	The best, you never had
The best, you never had	The best, you never had
The best, you never had	The best, you never had
The best, you never had	
I'm the devil on your shoulder	

- 1. capital
