Man who's in my life
You will always (be my boo)
Yes, I remember boy
'Cause after we kissed
I could only think about your lips
Yes, I remember boy
The moment I knew
You were the one I (20) spend my life with
Even before
All the fame and people
Screaming your name
I was there
And you were my baby
It started when we were younger you were mine
My boo
Now another brother's taking over
But it's still in your eyes
My boo
Even though we used to argue it's alright
My boo (it's alright, it's ok)
I know we haven't (21) each other in a while
But you will always be my boo
I was in love with you when we were younger
You were mine (you (22) mine)
My boo
And I see it from time to time I still feel like
My boo (it's in your eyes)
And you can see it no matter
How I try to hide (it's alright, now, it's ok)
