Still The One by One direction

Fill in the gaps

Hello, hello	Now I'm back at your door
I know it's been awhile, but, baby	You're looking at me, unsure
I got (1) that I really wanna let you	I should've seen it before
know	You're all I think about baby
Yeah	I was so (6) for letting you go
Something that I wanna let you know	But III know you're (7) the one
You say, you say to everybody	You (8) have moved on
That you hate me	But girl you should know
Couldn't blame you	That I I I know you're still the one
'Cause I know I left you all alone, yeah	I (9) I'm saying too much
I know that I left you all alone	But I (10) never give up
Yeah	I was so stupid for letting you go
Now I'm back at your door	But I I I know you're still the one
You're looking at me, unsure	III (hey)
I should've seen it before	III (hey)
You're all I think about baby	III (hey)
I was so stupid for (2) you go	111
But III know you're still the one	Hey
You might have moved on	You
But girl you should know	You're still the one
That III know you're still the one	Hey
I know I'm saying too much	You
But I will never (3) up	You're still the one
I was so stupid for (4) you go	Hey
III know you're still the one	You
III know you're still the one	You're still the one
Hello, hello	Hey
I'm really hoping you'll forgive me	You
I keep talking, begging	You're still the one
Tell me (5) I wanna hear, yeah	I know I'm saying too much, yeah
Girl, just tell me what I wanna hear	But I will never give up
I tried and tried	I was so stupid for letting you go
To start again and find somebody	III know you're still the one
But I remember all the times	III know you're still the one
And all the words we said, yeah	
I can't get it out of my head
