Fill in the gaps

Hello, nello	Now I'm (15) at (16) door
I know it's been awhile, but, baby	You're looking at me, unsure
I got something that I (1) wanna let you know	I should've seen it before
Yeah	You're all I (17) about baby
Something (2) I wanna let you know	I was so (18) for letting you go
You say, you say to everybody	But III know you're still the one
That you hate me	You might have moved on
Couldn't blame you	But (19) you should know
Cause I know I left you all alone, yeah	That III know you're still the one
I (3) (4) I left you all alone	I know I'm (20) too much
Yeah	But I will never give up
Now I'm back at your door	I was so stupid for (21) you go
You're (5) at me, unsure	But III know you're (22) the one
I should've seen it before	III (hey)
You're all I think about baby	III (hey)
I was so (6) for letting you go	III (hey)
But III know you're still the one	III
You might (7) moved on	Hey
But girl you should know	You
That III know you're still the one	You're still the one
I know I'm saying too much	Hey
But I (8) (9) give up	You
I was so stupid for letting you go	You're still the one
III know you're (10) the one	Hey
III (11) you're still the one	You
Hello, hello	You're still the one
I'm really hoping you'll forgive me	Hey
I keep talking, begging	You
Tell me what I (12) hear, yeah	You're still the one
Girl, (13) tell me (14) I wanna hear	I know I'm saying too much, yeah
I tried and tried	But I will (23) up
To start again and find somebody	I was so (25) for letting you go
But I remember all the times	III (26) you're still the one
And all the words we said, yeah	III know you're still the one
I can't get it out of my head
