So am I still waiting	So tell me what would you say
For (1) world to (2) hating	I'd say it's time too late
Can't find a good reason	So am I still waiting
Can't find hope to believe in	For this world to (18) hating
Drop dead	Can't find a good reason
A bullet to my head	Can't find hope to believe
Your (3) are (4) a gun in hand	This can't last forever
You can't change the state of the nation	Time won't make things better
We (5) need some motivation	I (19) so alone
These eyes	Can't (20) myself
Have seen no conviction	And no one knows
Just (6) and more contradiction	If this is worthless, tell me so
So (7) me (8) would you say	What have we done
I'd say it's time too late	With a war that can't be won
So am I still waiting	This can't be real
For (9) world to stop hating	Cause I don't know (21) to feel
Can't find a good reason	So am I still waiting
Can't find (10) to believe in	For this world to stop hating
Ignorance	Can't find a good reason
And understanding	Can't find (22) to believe in
We're the first (11) to (12) in line	So am I still waiting
Out of (13) for what we believe in	For this world to stop hating
But who's (14) to (15) the bleeding	Can't (23) a (24) reason
How far	For this world to believe
Will we (16) this	
It's not (17) to see through the fakeness
