### 11th Dimension by Julian Casablancas

II (1) nod, I've never been so good at shaking	While it hears you, trapped in another dimension
nands	Drop your guard, you don't have to be smart all of the time
(2) on the (3)	I've got a (16) full of blanks
(4) of a fireball	I need to go (17) new fast
Where (5) come together	And don't be shy, (oh) no, at least deliberately
To (6) (7) other in the name of sport	Cause no one (18) cares or wonders why
America, nothing is ever just anything	anymore (oh)
(8) up to you	I got music, coming out of my hands and (19) and
But you thought I (9) look the other way	kisses (oh)
And you hear what you want to hear	That is how it once was done
And (10) (11) what they want to take	All the dreamers on the run
Don't be sad, won't (12) happen like this anymore	Forgive them, (20) if they are not sorry
So when's it coming	All the vultures, bootleggers at the door waiting
This last new (13) movement that I can join?	We're so quick to point out our own (21) in
t won't end here	others
Your faith has got to be greater than your fear	Complicated mammals on the wings of robots
Forgive them, even if they are not sorry	If you (22) in (23) world
All the vultures, (14) at the door	(24) no one has died in vain
waiting	But don't you dare get to the top and not (25)
You are looking for (15) own voice but in others	(26) to do
