

Fill in the gaps

11th Dimension by Julian Casablancas

I'll just nod, I've (1)_____ been so (2)_____ at
shaking hands
I live on the frozen (3)_____ of a fireball
Where cities come together
To hate each other in the name of sport
America, nothing is ever just anything
I looked up to you
But you thought I would look the other way
And you hear what you want to hear
And they take what they want to take
Don't be sad, won't ever happen like this anymore
So when's it coming
This last new great movement that I can join?
It won't end here
Your faith has got to be greater than your fear
Forgive them, even if they are not sorry
All the vultures, bootleggers at the door waiting
You are looking for your own voice but in others

While it hears you, trapped in another dimension
Drop (4)_____ guard, you don't have to be smart all of
the time
I've got a mind full of blanks
I need to go somewhere new fast
And don't be shy, (oh) no, at least deliberately
Cause no one really cares or wonders why anymore (oh)
I got music, coming out of my hands and feet and kisses (oh)
That is how it once was done
All the (5)_____ on the run
Forgive them, even if they are not sorry
All the vultures, bootleggers at the (6)_____ waiting
We're so (7)_____ to point out our own flaws in others
Complicated mammals on the wings of robots
If you believe in this (8)_____ then no one has died in
vain
But don't you dare get to the top and not know what to do

Answer

1. never
2. good
3. surface
4. your
5. dreamers
6. door
7. quick
8. world
