

Fill in the gaps

11th Dimension by Julian Casablancas

I'll just nod, I've never been so good at shaking hands
I live on the frozen surface of a fireball
Where cities come together
To hate each other in the name of sport
America, nothing is ever just anything
I (1)_____ up to you
But you (2)_____ I would look the other way
And you (3)_____ what you want to hear
And they (4)_____ what (5)_____ want to take
Don't be sad, won't ever happen like this anymore
So when's it coming
This last new great movement that I can join?
It won't end here
Your faith has got to be greater than your fear
Forgive them, even if they are not sorry
All the vultures, bootleggers at the door waiting
You are looking for your own voice but in others

While it hears you, trapped in another dimension
Drop your guard, you don't (6)_____ to be smart all of
the time
I've got a mind full of blanks
I need to go somewhere new fast
And don't be shy, (oh) no, at least deliberately
Cause no one really cares or wonders why anymore (oh)
I got music, coming out of my hands and (7)_____ and
kisses (oh)
That is how it once was done
All the dreamers on the run
Forgive them, even if they are not sorry
All the vultures, (8)_____ at the door
waiting
We're so quick to point out our own flaws in others
Complicated mammals on the wings of robots
If you believe in this world then no one has (9)_____ in
vain
But don't you dare get to the top and not know what to do

Answer

1. looked
2. thought
3. hear
4. take
5. they
6. have
7. feet
8. bootleggers
9. died
