Cats in the cradle by Ugly Kid Joe

Fill in the gaps

My child arrived just the other day	is to borrow the car keys
Come to the world in the usual way	See you later can I have them plea
But there were planes to catch	And the cats in the cradle
And bills to pay	And the silver spoon
He learned to walk while I was away	Little boy (7) and the
He was talking for a minute	Man on the moon
And as he grew	When you comin' home son
He'd say I'm gonna be like you Dad	I don't know when
You know I'm gonna be like you	We'll get together then
And the cats in the cradle	You know we'll have
And the (1) spoon	A good time then
Little boy blue and the	I've long since retired
Man on the moon	My son's moved away
When you comin' home son	I called him up just the other day
I don't know when	I'd like to see you if you don't mind
We'll get together then	He said
You know we'll have	I'd love to Dad
A good time then	If I could find the time
Well my son turned ten	You see my new job's hassle
Just the other day	And the kids have the flu
He said thanks for the ball Dad	But it's sure nice talking to you Dad
Come on let's play	It's been sure nice talking to you
Can you teach me to throw	And as I hung up the phone
I said not today - I got a lot to do	I occured to me
He (2) that's o.k.	He'd grown up just like me
And he walked (3) and he	My boy was just like me
Smiled and he said	And the cats in the cradle
You know I'm gonna be like him yeah	And the silver spoon
You know I'm gonna be like him	Little boy (8) and the
And the cats in the cradle	Man on the moon
And the (4) spoon	When you comin' home son
Little boy blue and the	I don't know when
Man on the moon	We'll get together then
When you comin' home son	You (9) we'll have
I don't know when	A good time then
We'll get together then	And the cats in the cradle
You know we'll have	And the silver spoon
A (5) time then	Little boy (10) and the
Well he came from college	Man on the moon
Just the other day	When you comin' home son
So much like a man I just had to say	I don't know when
I'm proud of you could you	We'll get together then
Sit for a while	You know we'll have
