

## Fill in the gaps

## Just Like You by Three Days Grace

I could be mean		You're wrong if you think that I'll be just like you
I (1) be angry		You thought you were there to guide me
You know I could be just like you		You were only in my way
I could be fake		You're wrong if you think (7) I'll be (8)
I (2) be stupid		like you
You know I could be just like you		You thought you were there to guide me
You thought you were (3)	beside me	You were only in my way
You were only in my way		You're wrong if you think that I'll be just like you
You're wrong if you think that I'll be just like you		On my own, cause I can't take living with you
You (4) you were there to guide me		I'm alone, so I won't turn out like you want me to
You were only in my way		You thought you were standing beside me
You're wrong if you think that I'll be just like you		You were only in my way
You thought you were there to guide me		You're wrong if you think that I'll be just like you
You were only in my way		You thought you were there to guide me
You're (5) if you think that I'll be just like you		You were only in my way
I could be cold		You're wrong if you think that I'll be just like you
I could be ruthless		You thought you were there to guide me
You know I could be just like you		You were only in my way
I could be weak		You're wrong if you think that I'll be just like you
I (6) be senseless		I could be mean
You know I could be just like you		I could be angry
You thought you were standing beside me		You know I could be just (9) you
You were only in my way
