

Fill in the gaps

(Oh, oh, oh, oh)	Now you're in, you can't get out
You're so good to me, baby, baby	You make me so hot, you make me wanna drop
I (1) you up in my closet	You're so ridiculous, I can barely stop
Where no one's around	I can hardly breath, you make me (8) scream
I (3) your hand in my pocket	You're so fabulous
Because you're allowed	You're so good to me, baby, baby
I (5) drive you into the corner	You're so good to me, baby, baby
And kiss you without a sound	Kiss me gently
I want to (6) this way forever	Always I know
I'll say it loud	Hold me, love me
Now you're in, you can't get out	Don't ever go (yeah)
You make me so hot, you make me wanna drop	You make me so hot, make me wanna drop
You're so ridiculous, I can barely stop	You're so ridiculous, I can barely stop
I can hardly breathe, you make me (7) scream	I can hardly breathe, you make me wanna scream
You're so fabulous	You're so fabulous, you're so good to me
You're so good to me, baby, baby	You make me so hot, make me wanna drop
You're so good to me, baby, baby	You're so ridiculous, I can barely stop
I can make you feel all better	I can hardly breathe, you make me (9) scream
Just take it in	You're so fabulous
And I can show you all the places	You're so good to me, baby, baby
You've never been	You're so (10) to me, baby, baby
And I can make you say everything	You're so good
That you never said	
And I will let you do anything	
Again and again
