

Fill in the gaps

Sometimes I get my (1) in a dilly	I caught them (6) at the moon
Feeling so lost, ticking you off	Better be soon
Now boy, you know me well	Better be soon
Said, I'm (2) kind of filly	Right is right
That kind of soft, that kind of silly	Rules are rules
But when I'm in doubt, I open my mouth	This is more (7) April fool
And words come out, words come out like	I'm just winding you up, (oh)
Baby, there's a shark in the water	Jack be nimble, Jack be quick
There's something underneath my bed	Please don't make too much of it
(Oh), please believe I said	It ain't that serious
Baby, there's a shark in the water	Baby, there's a shark in the water
I caught them barking at the moon	There's something underneath my bed
Better be soon	(Oh), please believe I said
High in the sky, the song (3) I'm singing	Baby, there's a shark in the water
A sweet little lie, I cry wolf, cry	I caught them barking at the moon
Rabbit in the hat, so that's why I'm bringing	You (8) get here soon
Some tricks up my sleeve, for noticing me	Baby, there's a shark in the water
I wouldn't cause you any harm, I just want you in my arms	Baby, there's a shark in the water
I can't help, I (4) help myself	Baby, there's a shark in the water
Baby, there's a (5) in the water	I caught (9) barking at the moon
There's something underneath my bed	Better be soon
Oh, please believe I said	
Baby, there's a shark in the water	

1. head
