Teardrops On My Guitar by Taylor Swift

Drew looks at me	Give him all her love
I fake a smile so he won't see	Look in those beautiful eyes
That I want and I'm needing	I know she's lucky cause
Everything that we should be	He's the (5) for
l bet she's beautiful	The teardrops on my guitar
That girl he talks about	The only thing that keeps me wishing
And she's got everything	On a wishing star
That I had to (1) without	He's the song in the car I keep singing
Drew (2) to me	Don't know why I do
I laugh (3) it's just so funny	So I drive home alone
That I can't even see	As I turn off the lights
Anyone when he's (4) me	I put his picture down
He says he's so in love	And (6) get some sleep tonight
He's finally got it right	Cause he's the reason for
I wonder if he knows	The teardrops on my guitar
He's all I think about at night	The only one that's got enough of me
Cause he's the reason for	To break my heart
The teardrops on my guitar	He's the song in the car I keep singing
The only thing that keeps me wishing	Don't know why I do
On a wishing star	He's the time taken up
He's the song in the car I keep singing	But there's (7) enough
Don't know why I do	And he's all that I need to (8) into
Drew walks by me	Drew looks at me
Can he tell that I can't breath?	I (9) a smile so he won't see
And there he goes so perfectly
