

## Fill in the gaps

here

You have a way of coming	Oh, (14) a shame
Easily to me	What a rainy ending
And when you take	Given to a perfect day
You take the very (1) of me	So just (15) away
So I start to fight	No use defending words
Cause I need to (2) something	That you will (16) say
And you do (3) you want	And now that I'm (17) here
Cause I'm not (4) you wanted	Thinking it through
Oh, (5) a shame	I've never (18) anywhere cold as you
What a rainy ending	You (19) gave it a damn thing, honey
Given to a perfect day	But I cried, cried for you
Just walk away	And I know you wouldn't (20) told nobody
No use defending words	If I died, died for you, died for you
That you (6) never say	Oh, (21) a shame
And now that I'm sitting here	What a (22) ending
Thinking it through	Given to a (23) day
I've never been anywhere	Every smile you fake
Cold as you	Is so condescending
You put walls and (7) them	Counted all the scars you've made
All shade of grey	And now (24) I'm (25) I
And I stood (8) loving you	Thinking it trough
And (9) them all away	I've never been anywhere
And you (10) away	Cold as you
With a great little story	
Of a (11) of dreamer	
With the (12) to (13) you
