

Fill in the gaps

You (1) a way of coming	Oh, what a shame
Easily to me	What a rainy ending
And (2) you take	Given to a perfect day
You (3) the very best of me	So just (14) away
So I start to fight	No use (15) words
Cause I (4) to (5) something	That you will (16) say
And you do what you want	And now that I'm (17) here
Cause I'm not what you wanted	Thinking it through
Oh, what a shame	I've never been anywhere cold as you
What a rainy ending	You (18) gave it a damn thing, honey
Given to a (6) day	But I cried, cried for you
Just walk away	And I (19) you wouldn't (20) told
No use defending words	nobody
That you will never say	If I died, died for you, (21) for you
And now (7) I'm sitting here	Oh, what a shame
Thinking it through	What a (22) ending
I've never been anywhere	Given to a perfect day
Cold as you	Every smile you fake
You put walls and paint them	Is so condescending
All shade of grey	Counted all the scars you've made
And I (8) loving you	And now that I'm sitting here
And wished (10) all away	Thinking it trough
And you come away	I've never (23) anywhere
With a (11) story	Cold as you
Of a (13) of dreamer	
With the nerve to adore you
