

Fill in the gaps

I didn't know what I (1) find			
When I went looking for a reason, I know			
I didn't read between the lines			
And baby, I've got nowhere to go			
I tried to take the (2) less travelled by			
But nothing (3) to work the first few times			
Am I right?			
So how can I (4) try to be better?			
Nobody ever lets me in			
I can still see you, this ain't the best view			
From the outside, looking in			
And I've been a lot of lonely places			
I've never been on the outside			
You saw me there but never knew			
That I would give it all up to be			
A part of this, a part of you			
And now it's all too late so you see			
You could've helped if you had (5) too			

But no one notices until it's too			
Late to do anything			
How can I ever try to be better?			
If nobody ever lets me in			
And I can (6)	see you, this	ain't the best view	
From the outside, looking in			
And I've (7)	a lot of lonely plac	ces	
I've never been on the outside			
(Oh, yeah)			
How can I ever try to be better?			
If nobody (8)	_ lets me in		
And I can still see you, this ain't the best view			
From the outside, looking in			
And I've been a lot of	(9)	places	
I've (10)	been on the outsid	le	
(Uh, oh, uh)
