

Fill in the gaps

You put yourself apart

Baby Britain feels the best
Floating over a sea of vodka
Separated from the rest
Fights problems with (1) problems
Sees the ocean fall and rise
Counts the waves that (2) didn't hit he
Water pourning (3) her eyes
Alcohol again, very bitter
For someone (4) as smart
You'd be a work of art
You put yourself apart
And I can't help until you start
We knocked another (5) back
The dead soldiers lined up on the table
Still prepared for an attack
They didn't know they'd been disabled
Felt a wave, a rush of blood
You won't be happy 'til the bottle's broken
You're out (6) in the flood
You kept back, you kept unspoken
For someone half as smart
You'd be a work of art

And I can't (7) you until you start
You've got a look in your eye when you're saying goodbye
Like you want to say hi
The light was on but it was dim
Revolver's been turned over
And now it's (8) once again
The radio is playing Crimson and Clover
London Bridge is safe and sound
No matter what you (9) repeating
Nothing's gonna drag me down
To a death that's not worth cheating
For someone half as smart
You'd be a work of art
You put yourself apart
And I can't (10) until you start
For someone half as smart
You'd be a work of art
You put yourself apart
