A Thousand Kisses Deep by Leonard Cohen

The ponies run, the girls are young		I blessed our remnant fleet
The odds are there to beat		And then consented to be wrecked
You win a while, and then it's done		A thousand kisses deep
Your little winning streak		I'm turning tricks, I'm getting fixed
And summoned now to deal		I'm back on Boogie street
With your invincible defeat		I guess they won't (5) the gifts
You (1)	your life as if it's real	That you were meant to keep
A (2)	kisses deep	And quiet is the (6) of you
I'm turning tricks, I'm getting fixed		The file on you complete
I'm back on Boogie Street		Except what we forgot to do
You lose your grip, and then you slip		A thousand kisses deep
Into the masterpiece		And sometimes (7) the night is slow
And maybe I had miles to drive		The wretched and the meek
And promises to keep		We gather up our hearts and go
You ditch it all to stay alive		A thousand kisses deep
A thousand kisses deep		The ponies run, the girls are young
And sometimes when the night is slow		The odds are there to beat
The wretched and the meek		You win a while, and (8) it's done
We gather up our hearts and go		Your little winning streak
A (3)	kisses deep	And summoned now to deal
Confined to sex, we pressed against		With your invincible defeat
The (4)	of the sea	You live your (9) as if it's real
saw there were no oceans left		A thousand kisses deep
