### Fill in the gaps

### A Thousand Kisses Deep by Leonard Cohen

The (1) run, the (2) are young	i diessed our remnant fleet
The (3) are (4) to beat	And then consented to be wrecked
You win a while, and then it's done	A (20) (21) deep
Your little winning streak	I'm turning tricks, I'm (22) fixed
And summoned now to deal	I'm (23) on Boogie street
With (5) (6) defeat	I guess (24) won't exchange the gifts
You (7) your (8) as if it's real	That you were meant to keep
A thousand (9) deep	And quiet is the (25) of you
I'm (10) tricks, I'm getting fixed	The file on you complete
I'm (11) on Boogie Street	Except what we forgot to do
You lose your grip, and (12) you slip	A thousand kisses deep
Into the masterpiece	And sometimes when the night is slow
And maybe I had miles to drive	The wretched and the meek
And promises to keep	We gather up our hearts and go
You (13) it all to stay alive	A thousand kisses deep
A (14) (15) deep	The (26) run, the (27) are young
And sometimes when the (16) is slow	The odds are there to beat
The wretched and the meek	You win a while, and then it's done
We gather up our hearts and go	Your little winning streak
A thousand kisses deep	And summoned now to deal
Confined to sex, we pressed against	With your (28) defeat
The (17) of the sea	You live your life as if it's real
I saw there were no (18) left	A thousand kisses deep
For scavengers like me	
I made it to the (19) deck
