

Fill in the gaps

Through the (1) and the light	And know that we need is one thing
Baby, you stood by my side	Now what is (13) to allow
And life is wine	Babe, it's time we give something new a try
But there are days in this life	(Oh) Alone we may fight
When you see the teeth marks of time	So (14) let us be three, tonight
Two lovers divide	Through the (15) and the light
Sound (2) sound, babe	Baby you stood by my side
Her (3) the surround	And life is wine
And know (4) we need is one thing	You (16) the sweet breath of time
Now what is there to allow?	It's whispering, its (17) not mine
Babe, it's time we (5) something new a try	There's no I in threesome
(Oh) Alone we may fight	And I am all for it
So, just let us be three	Babe, it's (18) we give something new a try
And (6) tonight	(Oh) Alone we may fight
I see (7) lips are on fire	And (19) bend like (20) in
And (8) is wine	the moonlight
Now the windows are (9) the moon is so bright	Babe, it's (21) we give (22)
There's no one can (10) us what (11)	new a try
brings, you and I	(Oh) Alone we may fight
Sound meets sound, babe	So (23) let us be three tonight
Her echoes (12) surround
