

Fill in the gaps

Life's ambition (1)	my time	Yet even the sea is not so full of me	
Priorities confuse the mind		If I'm not blind why can't I see	
Happiness one step behind		That a circle can't fit	
This inner peace I've yet to find		Where a square should be	
Rivers (2) into the sea		There's a hole in my heart	
Yet (3) the s	ea is not so (4) of me	That can only be (10)	by you
If I'm not (5) why can't I see		And this hole in my heart	
That a (6)	can't fit	Can't be filled with the things I do	
Where a square should be		There's a hole in my heart	
There's a (7) in my heart		That can only be filled by you	
That can only be filled by you		Should have known from the start	
And this hole in my heart		I'd fall short with the things I do	
Can't be filled with the (8) I do		Hole hearted	
Hole hearted		Hole hearted	
Hole hearted		Hole hearted	
This heart of (9)	is where I hide	Hole hearted	
These feet of clay kept warm inside		Hole hearted	
Day by day less satisfied		Hole hearted	
Not fade away before I	die
