

Fill in the gaps

Life's ambition (1)	my time	Yet even the sea is not so full of me
Priorities confuse the mind		If I'm not blind why can't I see
Happiness one step behind		That a circle can't fit
This inner peace I've yet to find		Where a square should be
Rivers flow into the sea		There's a hole in my heart
Yet even the sea is not so full of me		That can only be (6) by you
If I'm not blind why can't I see		And this hole in my heart
That a circle can't fit		Can't be filled with the things I do
Where a square (2) be		There's a (7) in my heart
There's a hole in my heart		That can only be filled by you
That can (3) be filled by you		Should have (8) from the start
And this hole in my heart		I'd fall (9) with the things I do
Can't be (4) with the (5	5) I do	Hole hearted
Hole hearted		Hole hearted
Hole hearted		Hole hearted
This heart of stone is where I hide		Hole hearted
These feet of clay kept warm inside		Hole hearted
Day by day less satisfied		Hole hearted
Not fade away before I die		
Rivers flow into the sea
