

LoveStoned by Justin Timberlake

Those flashing lights seem to cause a glare (cause a glare)

(Hey! an)	The way they hit her I just stop and (6) (stop and
She's freaky and she knows it	stare)
She's freaky and I like it	She's got me love stoned from everywhere
Listen	She's bad and she knows
She grabs the yellow bottle	I (7) that she knows
She likes the way it hits her lips	Now dance
She gets to the bottom	Little girl
It sends her on a trip so right	You're freaky, but I like it
She might be going home with me tonight	Hot damn!
And she looks like a model	(Let me put my funk on this one time)
Except she's got a little (1) (ass)	(Aw)
Don't even bother	Those flashing lights come from everywhere
Unless you've got that thing she likes (oh)	The way they hit her I just stop and stare
I hope she's going home with me tonight	She's got me love stoned from everywhere
(Hey!)	She's bad and she knows
Those flashing lights come from everywhere	I think that she knows (hey ah)
The way they hit her I just stop and stare	Those flashing (8) come from everywhere
She's got me love stoned	The way they hit her I just stop and stare
Man I swear, she's bad and she knows	She's got me love stoned
I think that she knows	Man I swear she's bad and she knows
She's freaky and she knows it	I think that she knows
She's freaky, but I like it	Those flashing lights come from everywhere
(Yeah)	The way they hit her I just stop and stare
She shuts the room down	She's got me love stoned
The way she walks and causes a fuss	I think I'm love stoned
The baddest in town	She's got me love stoned
She's flawless like some uncut ice	I think that she knows, think that she knows, (oh, oh)
I (2) she's (3) home with me tonight	Those flashing lights come from everywhere
(oh)	The way they hit her I just stop and stare
And all she wants is to dance	I'm love (9) from everywhere and she knows
That's why you'll find her on the floor	I think that she knows (oh)
But you don't (4) a chance	And now I walk around without a care
Unless you move the way that she likes	She's got me hooked
That's why she's going home with me tonight (oh)	It just ain't fair, but I
(Hey!)	I'm love stoned and I could swear
Those flashing lights come from everywhere	That she knows
The way (5) hit her I just stop and stare	Think that she knows, (oh, oh)
She's got me love stoned	She knows, she knows, (oh, oh)
Man I swear she's bad and she knows	
I think that she knows (ah)
