

Us by Regina Spektor

Fill in the gaps

They made a statue of us
And it put it on a (1) _____ top
Now (2) _____ (3) _____ and
(4) _____ at us
Blow bubbles with their gum
Take photographs for fun, for fun
They'll name a city after us
And later say it's all our fault
Then they'll give us a talking to
Then they'll give us a talking to
'Cause they've got years of experience
We're living in a den of thieves
Rummaging for answers in the pages
We're living in a den of thieves
And it's contagious
And it's contagious
And it's contagious
And it's contagious
We wear our scarves just like a noose
But not 'cause we want eternal sleep
And though our parts are slightly used
New ones are slave labor you can keep
We're living in a den of thieves
