

Fill in the gaps

Do you feel like a chain store?	So give me coffee and TV
Practically floored	History
One of many zeros	I've (9) so much
Kicked around bored	I'm (10) blind
Your (1) are full but your empty	And I'm braindead virtually
Holding out your heart	Sociability
To people who never really	It's (11) enough for me
Care how you are	Take me (12) (13) big
So give me coffee and TV	bad world
History	And (15) to marry me
I've seen so much	So we can (16) all (17) again
I'm goin blind	So give me coffee and TV
And I'm braindead virtually	History
Sociability	I've (18) so much
It's hard enough for me	I'm goin blind
Take me away (2) this big bad world	And I'm (19) virtually
And agree to (3) me	Sociability
So we can start all over again	It's hard enough for me
Do you go to the country	Take me (20) from (21) big bad world
It isn't (4) far	And agree to (22) me
There's (5) there who will (6) you	So we can (23) all (24) again
Cos of who you are	(Oh) We could (25) over again
Your ears are (7) of the language	(Oh) We could start over again
There's wisdom there you're sure	(Oh) We could (26) over again
'Til the (8) start slurring	(Oh) We (27) start over again
And you can't find the door
