

Fill in the gaps

White man (1) across the sea	Hunting and killing their game	
He brought us pain and misery	Raping the women and wasting the men	
He killed our tribes killed our creed	The only good Indians are tame	
He took our game for his own need	Selling them whiskey and taking their gold	
We fought him (2) we fought him well	Enslaving the young and (8)	the old
Out on the (3) we gave him hell	Run to the hills	
But many came too much for Cree	Run for your lives	
(Oh) will we ever be set free?	Run to the hills	
Riding through (4) clouds and barren wastes	Run for (9) lives	
Galloping (5) on the plains	Run to the hills	
Chasing the redskins back to their holes	Run for your lives	
Fighting them at their own game	Run to the hills	
Murder for freedom the (6) in the back	Run for your lives	
Women and (7) are cowards attack	Run to the hills	
Run to the hills	Run for your lives	
Run for your lives	Run to the hills	
Run to the hills	Run for your lives
