You (1) me on the path	I might find it's not for me
Keep (2) me the way	Tell me what you can hear
l feel a (3) lost	And (15) (16) me what you see
A little strange today	Everybody has a different way
I (4) I'll take a hold	To view the world
Of (5) (6) my way	I (17) (18) you to know
Then we'll see what happens	When you see the simple things
Take it day by day	To (19) (20) life
I (7) I had it all	It's not too late to learn
I had it all (8) out	Tell me what you can hear
Just what my future held	And then tell me what you see
That there would be no doubt	Everybody has a different way
But (9) the (10) (11) up	To (21) the world
And I took (12) turn	I would (22) you to know
But I don't (13) if it's	When you see the simple things
Fulfillment that I yearn	To (23) (24) life
Tell me what you can hear	It's not too (25) to learn
And then tell me what you see	Don't want to be here
Everybody has a different way	Somewhere I'd rather be
To view the world	But (26) I get there
I would like you to know	I (27) find it's not for me
When you see the simple things	Don't know what I want
To appreciate this life	Or where I (28) to be
It's not too (14) to learn	I'm feeling more confused
Don't want to be here	The more the days go by
Somewhere I'd rather be	
But when I get there
