I call you when I (1) you, my heart's on fire	Better (14) anyone
You come to me, come to me, wild and wild	Anyone I've ever met
Now you come to me	I'm stuck on (15) heart
Give me everything I need	I hang on (16) word you say
Give me a lifetime of promises and a (2) of	Tear us apart, no, no
dreams	Baby I would (17) be dead
Speak a language of love (3) you know	Each time you leave me I (18) losing control
(4) it means	You're walking (19) with my heart and my soul
And it can't be wrong	I can feel you even (20) I'm alone
Take my heart and make it strong, babe	Oh baby, don't let go
You're simply the best	You're the best
Better than all the rest	Better (21) all the rest
Better than anyone	Better than anyone
Anyone I've ever met	Anyone I've ever met
I'm stuck on your heart	I'm stuck on (22) heart
I hang on every word you say	I hang on every word you say
Tear us apart	No, (23) us apart, no, no
Baby I (5) be dead	Baby I would rather be dead
In your (7) I see the start of every	(Ooh) you're the best
(8) and (9) day	
In your eyes, I get lost, I get (10) away	
Just as long as I'm here in your arms	
I could be in no (11) place	
You're (12) the best	
Better (13) all the rest
