

## Fill in the gaps

It's not time to (1) a change, just relax, take it easy
You're still young, that's your fault, there's so much you have
to know
Find a girl, settle down, if you want you can marry
Look at me, I am old, but I'm happy
I was once like you are now and I know that it's not easy
To be (2) when you've found something
(3) on
But take your time, think a lot, why, think of everything you've
got
For you will still be here tomorrow, but your dreams may not
How can I try to explain? When I do he turns (4)
again
It's always been the same, same old story
From the moment I could talk I was ordered to listen
Now there's a way and I know that I have to go away
I know I have to go
It's not time to (5) a change, (6) sit
down, (7) it slowly

You're (8) young, that's your fault, there's so
much you have to go through
Find a girl, (9) down, if you want you can
marry
Look at me, I am old, but I'm happy
All the times that I cried, keeping all the things I knew inside
It's hard, but it's (10) to ignore it
If they were right, I'd agree, but it's them they know not me
Now there's a way and I know that I have to go away
I know I have to go
