

Fill in the gaps

I'm tired of being what you want me to be
Feeling so faithless, lost under the surface
I don't know what you're (1) of me
Put under the pressure of (2) in your shoes
(Caught in the undertow just caught in the undertow)
Every step that I (3) is another mistake to you
(Caught in the undertow just caught in the undertow)
I've become so numb I can't feel you there
Become so tired so much (4) aware
I'm becoming this all I want to do
Is be more (5) me and be less like you
Can't you see that you're smothering me?
Holding too tightly, afraid to lose control
Cause everything that you thought I would be
Has fallen apart right in front of you
(Caught in the undertow just caught in the undertow)
Every step that I (6) is another mistake to you
(Caught in the undertow just (7) in the
undertow)

And every second I waste is more than I can take
've become so numb I can't feel you there
Become so tired so much more aware
'm becoming this all I want to do
s be more like me and be less like you
And I (8) I may end up failing too
But I know you were just like me
With someone disappointed in you
've become so numb I can't feel you there
Become so (9) so much more aware
'm becoming this all I want to do
s be more like me and be less like you
've become so numb I can't feel you there
'm tired of being what you want me to be
've become so numb I can't feel you there
