Turn The Lights Out by Hadouken

Fill in the gaps

(Turn the lights out)	I don't care where we are, I don't (4) where we go
Turn the lights out, turn the lights out	This is your last (5) boy, this is your last
Turn the lights out, (1) the, turn the	chance
Turn the lights out, turn the lights out	This is your last chance, (6) last chance
Turn the lights lights out	This is your (7) chance, your last chance
Make way for the ultraviolet, teenage riot, don't try it	This is your last chance, your (8) chance
You can't (stop this, stop this)	This is your last chance, your last chance
You can't (stop this, stop this)	Make way for the cardinal sin
You see I'm lit like a molotov	When the boys come out when the freaks come in
Get out my way when the riot kicks off	(Go, go go go go go go)
You can't (stop this, stop this)	Make way for the horror show
You can't (stop this, stop this)	If you wanna bring it then we'll come a loco
Get ready for the rough and tumble	(Go, go go go go go go)
If you wanna be starting something	We lit the fuse and we're ready to blow
You aint seen nothing yet, no you aint seen nothing	I don't care where we are, I don't care (9) we go
Push your way to the pit, stand (2) raise your	You better run from cover where the filaments go
hands	I don't care where we are, I don't care where we go
If you wanna be starting something	I don't care where we go
You aint seen nothing yet, no you aint seen nothing	I don't care where we go
(Turn the lights out)	Turn the lights out
Turn the lights out, turn the lights out	Turn the lights out
Make way for the bass	Turn the lights out
We fracture ribs and the dim when the sun comes in	Turn the, turn the
(Go, go go go go go go go)	Turn the lights out
Make way for the drums	Turn the lights out
We pillar these beats so hard like concrete sheets	Turn the (10) out
(Go, go go go go)	Turn the lights out
We lit the fuse and we're ready to blow	
I don't care where we are, I don't (3) where we go	
You better run from cover where the filaments go
