

## Fill in the gaps

## Brick by Boring Brick by Paramore

She lives in a (1) tale	And we'll dig a deep hole
Somewhere too far for us to find	To bury the castle, bury the castle
Forgotten the taste and smell	Go get your shovel
Of the world that she's left behind	And we'll dig a deep hole
It's all (2) the (3) the	To bury the castle, bury the castle
(4) I (5) her	Well you built up a (18) of magic
The angles were all wrong now	Because your real (19) is tragic
She's ripping wings off of butterflies	Yeah you built up a world of magic
Keep your (6) on the ground	If it's not real
When (7) head's in the clouds	You can't (20) it in (21) hand
Well go get your shovel	You can't (22) it (23) your heart
And we'll dig a deep hole	And I won't believe it
To bury the castle, (8) the castle	But if it's true
Well go get (9) shovel	You can see it with your eyes
And we'll dig a deep hole	Or even in the dark
To bury the castle, bury the castle	And that's where I want to be, yeah
(Ba da ba ba da ba da)	Go get (24) shovel
So one day he found her crying	We'll dig a deep hole
Coiled up on the dirty ground	To bury the castle, bury the castle
Her (10) finally came to (11) her	Well go get your shovel
And the rest you can (12) out	And we'll dig a deep hole
But it was a trick	To bury the castle, bury the castle
And the clock struck twelve	(Ba da ba ba da da ba da)
Well (13) sure	(Ba da ba ba da da ba da)
To (14) your house brick by boring brick	(Ba da ba ba da da ba da)
Or the (15) (16) blow it down	(Ba da ba ba da da ba da)
Keep your feet on the ground	
When (17) head's in the clouds	
Well go get your shovel
