

## Fill in the gaps

## A Total Eclipse Of The Heart by Bonnie Tyler

(Turn around)	Forever's (13) (14) tonight
Every now and then I get a little bit lonely	(Forever's gonna start tonight)
And you're never coming around	Once upon a time I was falling in love
(Turn around)	But now I'm only falling apart
Every now and then I get a little bit tired	There's nothing I can do
Of listening to the (1) of my tears	A total eclipse of the heart
(Turn around)	Once upon a time there was light in my life
Every now and then I get a little bit nervous	But now there's only love in the dark
That the best of all the (2) (3)	Nothing I can say
(4) by	A total eclipse of the heart
(Turn around)	(Turn (15) bright eyes)
Every now and then I get a little bit terrified	Every now and then I fall apart
And then I see the look in your eyes	(Turn around (16) eyes)
(Turn around bright eyes)	Every now and then I fall apart
Every now and then I fall apart	And I need you now (17) (and I need)
(Turn around bright eyes)	And I (18) you more (19) ever
Every now and then I fall apart	And if you'll (20) hold me tight (if you'll only)
(Turn around)	We'll be holding on forever
Every now and then I get a (5) bit restless	And we'll only be making it right
And I (6) of something wild	Cause we'll never be wrong together
(Turn around)	We can take it to the end of the line
Every now and then I get a little bit helpless	Your love is like a (21) on me all of the time
And I'm lying (7) a child in your arms	(All of the time)
(Turn around)	I don't know what to do and I'm always in the dark
Every now and (8) I get a little bit angry	We're living in a powder keg and giving off sparks
And I know I've got to get out and cry	I really need you tonight
(Turn around)	Forever's (22) (23) tonight
Every now and then I get a little bit terrified	(Forever's gonna start tonight)
But then I see the look in (9) eyes	Once (24) a time I was falling in love
(Turn around bright eyes)	But now I'm only (25) apart
Every now and then I fall apart	There's nothing I can do
(Turn around bright eyes)	A total eclipse of the heart
Every now and then I fall apart	Once upon a (26) (27) was light in
And I need you now tonight	my life
And I need you more than ever	But now there's (28) love in the dark
And if you'll (10) hold me tight	Nothing I can say
We'll be holding on forever	A total (29) of the heart
And we'll only be making it right	A total eclipse of the heart
Cause we'll never be wrong together	(Turn around bright eyes)
We can take it to the end of the line	(Turn around bright eyes)
Your love is like a (11) on me all of the time	(Turn around)
(All of the time)	
I don't know what to do and I'm always in the dark	
We're (12) in a powder keg and giving off	
sparks	
I really need you tonight
