

## Fill in the gaps

From our (1) (2) on	But don't push me to the maximum
We are pushed in little forms	Shut (17) mouth and take it home
No one asks us how we like to be	'Cause I decide the way (18)
In school (3) (4) you what to think	(19) be
But everyone says different things	(I want out) To live my (20) alone
But they're all convinced that they're the ones to see	(I (21) out) Leave me be
So they keep talking and they (5) stop	(I want out) To do (22) on my own
And at certains (6) you (7) it up	(I want out) To live my life and to be free
So the only thing that's left to (8) is this	There's a million ways to see the things in life
(I want out) To (9) my life alone	A million ways to be the fool
(I want out) Leave me be	In the end of it, (23) of us is right
(I want out) To do things on my own	Sometimes we need to be alone
(I (10) out) To (11) my life and to be	No, No, No, No, No, No
free	Leave me aloneTo (24) my life alone
People tell me A and B	(I want out) Leave me be
They (12) me how I have to see	(I want out) To do things on my own
Things (13) I have seen already clear	(I want out) To live my life and to be free (Ah!!!)
So they push me then from side to side	I (25) out!!!
They're pushing me (14) (15) to	
white	
They're pushing 'til there's (16) more to
