Fill in the gaps

Santa Monica by Theory of A Deadman

She fills my bed with gasoline	And I remember the time when you left for Santa Monica
You think I would have noticed	And I (6) the day you told me it's over
Her mind's made up	I wanted more than this
The love is gone	I needed more than this
think someone's trying to show us a sign	I deserve more than this
That even if we thought it would last	But it just won't stop
The moment would pass	It just won't go away
My bones will break and my heart will give	I (7) more than this
(Oh), it hurts to live	I wanted more than this
And I remember the day (1) you left for Santa	I asked for more than this
Monica	But it just won't stop
You (2) me to remain with all your excuses for	It just won't go away
everything	And I remember the day when you left for Santa Monica
And I remember the time when you left for Santa Monica	You left me to (8) with all your excuses for
And I (3) the day you told me it's over	everything
t hurts to breathe	And I remember the time when you left it all behind
Well every (4) that you're not next to me	And I remember the day you told me it's over
Her mind's made up	And I remember the day when you (9) for Santa
