

Fill in the gaps

Better In Time (Live) by Leona Lewis

It's been the (1) winter without you	It's (15) I let you go so I can be free
I didn't know (2) to turn to	And live my life how it should be
See, (3) I can't forget you	No (16) how hard it is
After all that we've (4) through	I'll be (17) without you, yes I will
Going, coming thought I (5) a knock	Thought I couldn't live (18) you
Who's there? No one	It's gonna hurt (19) it heals too (oh)
Thinking that I deserve it	It'll all get better in time
Now I (6) that I really didn't, (nooo)	And (20) though I (21) love you
If you didn't notice, you mean everything	I'm gonna smile (22) I deserve to (yes I do)
Quickly I'm (7) to (8) again	It'll all get (23) in time
All (9) I know is I'm gon' be okay	Thought I couldn't live without you
Thought I couldn't live without you	It's gonna hurt when it (24) too (yeah)
It's gonna hurt (10) it (11) too, (ooh	It'll all get better in time
yeah)	And even though I really love you
(It'll all get better in time)	I'm (25) (26) cause I deserve to
And (12) though I really love you	(yes)
I'm (13) cause I deserve to	It'll all get better in time
It'll all get better in time	
Since there's no more you and me (no more you and me)
